## Profile

Software Developer with 1+ years of experience specializing in React, Next.js, and Node.js. Proven track record in remote collaboration and contributing to complex open-source ecosystems, with a focus on building scalable, type-safe web applications.

## Work Experiences

**Win Dental Academy** | *Freelance web developer*

02/2025 | *Remote*

- Led development of overall website remotely
- Built and maintained landing page for Win Dental Academy.
- Integrated features like course management, blogs, and admin dashboards
- Tested and debugged across devices, ensuring fully mobile responsiveness and cross-browser compatibility

## Contributions

**One Project One Month** | *Backend developer*

08/2025 | *Remote*

- Contributed in building backend system using Express server for rental property management.
- Developed and maintained API endpoints for authentication, user roles, and billing workflows.
- Designed database schema with PrismaORM/Postgresql; ensured data validation and security.
- Collaborated on a shared codebase using **Git** and participated in **code reviews**.

**One Project One Month (collaborative project)** | *Frontend developer*

01/2026 | *Remote*

- Contributed in building frontend system using React, **TailwindCSS**, Radix-ui for OPOM portal.
- Led the migration of the codebase from JSX to TSX, improving type safety and reducing production-level bugs across the project scope.
- Structured eye-catching design collaborating with UIUX team using ui libraries, building reusable components and custom **React hooks**.
- Implemented API endpoints with backend team to ensure data validation and security with TypeScript, Zod and **Tanstack query**.

## Skills & Technologies

**Languages** - Typescript, Javascript, HTML, CSS

**Frameworks** - React, Next.js, TailwindCSS, Bootstrap, React-native, Expo

**Tools** - Git, Linux, MongoDB, PostgreSQL, MySQL, Express.js, Node.js

**Projects** - <https://www.thureinhhtet.com/projects>

## Education

**Trường Cao đẳng An ninh mạng iSPACE, Ho Chi Minh** | *Software development*

11/2024 - present
